Verification of Insurance Coverage

UCI recommends that all participants have adequate medical insurance. Some family health insurance policies cover short-term international travel, some do not. Verify with your insurance carrier that your current policy will cover you while on the mission for which you are applying. If you are not covered in such an event, please get short-term travel insurance that will be valid in Haiti. There are companies that carry insurance specifically for short and long-term mission trips.

I have fully read, fully understand, and am in full agreement with the following release of liability and release to obtain medical care:

☒ **YES** ☐ **NO**

Matthew 18:15-20 and I Corinthians 6:1-8 instructs us to live at peace and to resolve disputes in private or within the Christian church. I acknowledge my concern that the limited charitable resources of UCI should not be dissipated on wasteful litigation. Therefore, I expressly waive my right to file a lawsuit in any civil court or other secular setting against UCI and other organizations and all individuals involved with this mission.

I hereby release all leaders and organizations involved with this mission trip from any and all legal liability. I hereby waive all my rights to any legal liability on the part of UCI or any other individuals or organizations involved, which liability may result from sickness, injury, or death that may occur on or related with this trip. I fully realize that there are hazards, and I am fully assuming these risks, including but not limited to, hazardous traffic, poorly constructed roads, dangers resulting from military or political problems, sickness, and disease. I specifically release UCI and all concerned from any claim of negligence in their duties as leaders, or otherwise, on this mission trip. In the event that I attempt to make a claim in violation of my release and waiver as herein indicated, I hereby agree to, and shall pay, all legal fees and costs incurred by UCI and other individuals and organizations involved. I further agree that such claim or dispute arising from or related to the mission shall be settled by Biblically-based mediation (as specifically described in the then-current rules of procedure for Christian conciliation of the Institute for Christian Conciliation [1.406.256.1583](#)), and if not resolved by said mediation, by legally binding arbitration in accordance with the aforementioned rules of procedure for Christian conciliation.

I hereby further acknowledge my responsibility to provide my own insurance coverage of any and all types, including but not limited to, medical, hospitalization, life, disability, death, lost baggage, lost or stolen personal property, and any and all other insurance which I may need or desire. I also hereby release UCI and all leaders and organizations involved with this mission from responsibility to provide insurance coverage of any and all types. I hereby further authorize the leadership of UCI to make essential decisions on my behalf with respect to medical treatment, emergency surgery, or hospitalization, should such be necessary. However, UCI shall in no way be responsible or liable for payment of any and all such medical treatment. I assume the full responsibility for any and all medical bills incurred related to this mission. My estate and my family shall further assume full and total cost for the return shipping of my body should I die by any cause on this mission.

I have read and am in full agreement with this release and waiver, and fully understand that I am: waiving any rights I may have to litigate and sue, and instead accepting Biblically-based mediation to resolve disputes; accepting full responsibility for all insurance, and all medical costs; authorizing UCI to make medical decisions, if necessary; and agreeing to read and abide by all guidelines policies, and rules pertaining to this mission.

I further agree wholeheartedly to abide by any decisions made by leaders and those in authority.
